This Website and all related pages (together with the documents referred to on it) tells you the terms of use on which you may make use of this website, whether as a guest or a registered user. Please read these terms of use carefully before you start to use the site. By using this site, you indicate that you accept these terms of use and that you agree to abide by them. If you do not agree to these terms of use, please refrain from using this site.

This website is for informational purposes only and does not constitute a complete description of the investment services or performance of UCAP. This website is in no way a solicitation or offer to sell securities or investment advisory services except, where applicable, in states where UCAP is registered, notice filed or where an exemption or exclusion from such registration exists. No portion of this website’s content should be interpreted as legal, accounting or tax advice. Information throughout this website, whether stock quotes, charts, investment commentaries, or any other statement or statements regarding market or other financial information, is obtained from sources which we believe reliable, but we do not warrant or guarantee the timeliness or accuracy of this information.

This website is not intended to provide personal investment advice and it does not take into account the specific investment objectives, financial situation and the particular needs of any specific investor. Any statements regarding future events constitute only subjective views or beliefs, are not guarantees or projections of performance, should not be relied on, are subject to change due to a variety of factors, including fluctuating market conditions, and involve inherent risks and uncertainties, both general and specific, many of which cannot be predicted or quantified and are beyond our control. Investments in general involve numerous risks, including, among others, market risk, default risk and liquidity risk. Nothing on this website should be interpreted to state or imply that past results are an indication of future performance.

Any historical information is as of the date stated. Any statements regarding future events constitute only subjective views or beliefs, are not guarantees or projections of performance, should not be relied on, are subject to change due to a variety of factors, including fluctuating market conditions, and involve inherent risks and uncertainties, both general and specific, many of which cannot be predicted or quantified and are beyond our control. Future results could differ materially and no assurance is given that these statements are now or will prove to be accurate or complete in any way.

Information on this website

The investments and investment services described on this website may not be suitable for all people. Before entering into an agreement in respect of any investment referred to on this website, you should consult your own investment advisers as to its suitability for you and should understand that statements regarding future prospects may not be realized.

All material on this website is information of a general nature and does not address the circumstances of any particular individual or entity. Nothing on this website constitutes professional and/or financial advice nor does any information on this website constitute a comprehensive or complete statement of the matters discussed or the law relating thereto. Information on this website may not be accurate or current. In particular (but without limitation) information may be rendered inaccurate by changes in applicable laws and other regulations.

Information on this website may or may not have been prepared by UCAP, but is made available without responsibility on the part of UCAP, who neither assumes nor accepts any responsibility or liability (including for negligence) and makes no warranty, express or implied, in relation thereto. No action should be taken or omitted to be taken in reliance upon information on this Website.

The prices of the investments referred to on this website and the income from them may go down as well as up and investors may realize losses on them. Investments denominated in foreign currencies are exposed to changes in exchange rates which may have a negative as well as a positive effect on their value. Past performance is not indicative of future results. Levels and bases of taxation may change. In the case of investments for which there is no recognized market it may be difficult for investors to sell their investments or to obtain reliable information about its value or the extent of the risk to which it is exposed.

UCAP reserves the right to change the information available on this website without notice. UCAP expressly disclaim any obligation to keep the information on this website up-to-date, free of errors or viruses or to maintain uninterrupted access. UCAP may stop producing or updating any part of this website without notice.
